

You're Invited to Our 2012 Partnering for Patients Webinar Series

Coram's *Partnering for Patients* Home Health Agency webinars are focused on the unique needs of patients receiving infusion therapy at home. These webinars are designed for the Home Health Agency clinician who cares for Coram home infusion patients. Assessment parameters and specific guidelines to support your patient interactions will be discussed. We proudly offer CE credits* for our *Partnering for Patients* webinars.

April 25 • 1:00 PM and 3:00 PM EST

Infectious Complications of Solid Organ Transplant

Description: This presentation reviews common bacterial, fungal, and viral infections in the solid organ transplant recipient. It also discusses patient assessment, Home Health Agency nursing interventions, and therapy options.

Presenter: Linda Haggerty McBride, RN | **Credits:** 1.0 CCM, 1.0 RD, 1.0 RN, 1.0 SW

May 23 • 1:00 PM and 3:00 PM EST

Understanding Hemophilia

Description: This presentation provides a definition of genetic hemophilia, the deficiency of coagulation protein, and therapies for treating hemophilia bleeds. The program also identifies types and treatments for von Willebrand disease.

Presenter: Ann Mancini, RN | **Credits:** 1.0 CCM, 1.0 RN, 1.0 SW

June 27 • 1:00 PM and 3:00 PM EST

Management of the TPN Patient for the Home Health Agency

Description: This program details information about TPN solutions, ambulatory pumps, the assessment of patients with nutritional disorders, and managing complications for patients receiving TPN in the home.

Presenter: Whitney Penzien, RN | **Credits:** 1.0 CCM, 1.0 RD, 1.0 RN
