

symphony[™]

by  **CVS**Health[®]

**A smarter way to stay
safer at home.**

 **CVS**Health[®]

Staying safer has never been easier with Symphony™.

24/7 emergency response*

Our smart medical alert system helps sense a fall or other event through voice-activation, pressing a button or auto-detection. If this happens, a professional response team can help connect you to emergency services or caregivers.

Help stay connected for enhanced peace of mind

A free app updates your caregivers on your well-being, even when you're apart from them.

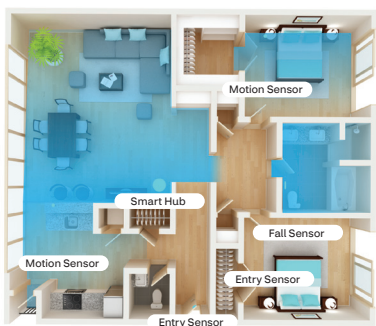

Quick to set up, easy to use

Ready to use on day one. With compact, discreet devices, you can go about your daily routines.

Simple setup for flexible home coverage.

Place at key areas throughout the home. You also have an option to add devices for more complete home coverage.

It's easy to get started.

Step 1

Select the bundle subscription that works for you**

Step 2

Plug in and place other sensors

See how Symphony can work for you and your caregiver at Members.aloecare.com/coram/

Select the bundle that works best for you.

Choose from two bundle subscriptions. Each option offers you peace of mind with 24/7 access to support for when you need it. And no long-term contract is needed.**

Essential Bundle

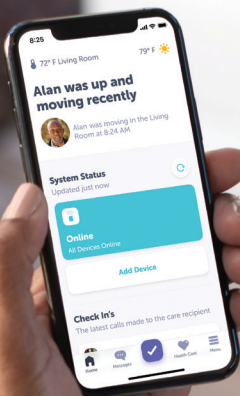

Basic Bundle

What's included:

●	Smart Hub	●
●	Care Button	●
●	Free Caregiver App	●
●	Fall Sensor	
●	Motion Sensor	

Symphony simplified: each device plays a role.

Voice-Activated Smart Hub

Enables calls for emergency assistance via voice or pressing the button, and provides hands-free communication with trusted caregivers.

Senses motion, temperature and air quality.

Utilizes 4G cellular connection.†

Care Button^{††}

Another way to call for emergency response by pressing the button, and you can opt to wear it on the wrist or as a pendant.

Fall Sensor (requires WiFi)

Automatic fall detection for the bathroom* and enables calls for emergency assistance via voice or pressing the button.

Motion Sensors^{††}

Wireless and able to detect additional movement throughout the home.

Your caregiver can stay connected and updated through the free app.

With the app, your caregiver can check your well-being even when you are apart.

Capabilities include:

- Real-time updates if an emergency is triggered
- Alerts for falls, motion, air quality and temperature
- Support for an unlimited number of caregivers
- Group chat for caregivers to coordinate care
- Receives requests for check-ins with your caregiver

Visit [Members.aloecare.com/coram/](https://members.aloecare.com/coram/) to learn more about the Symphony medical alert system. For product specific questions, call the Symphony Support Line at 1-844-910-4090.

*FOR FALL DETECTION: Fall detection does not detect 100% of falls. The equipment and medical alert services are not a substitute for 911. If you need help and are able to dial 911, you should do so.

**FOR MONITORING, SUBSCRIPTION AND APP: Monitoring and other services in the subscription and app are provided by an independent third party not owned or operated by CVS Pharmacy®. Activation requires a recurring monthly service fee to be charged by the third party. Visit aloecare.com/page/terms-of-service for details.

†FOR WIRELESS COVERAGE: Service requires location with sufficient access to AT&T wireless network coverage.

††FOR ADDITIONAL DEVICES: Requires the purchase of a Basic or Essential Bundle and monthly bundle subscription.

FOR HEALTH SAVINGS ACCOUNT (HSA)/FLEXIBLE SPENDING ACCOUNT (FSA) REQUIREMENTS: HSA/FSA eligible items may vary by benefits administrator and with changes in IRS (Internal Revenue Service) rules. Check with your benefits administrator.
